

ANNEXURE-A

The tenderers shall furnish the following details with necessary enclosures along with the Technical Bid.

Sl. No	Particulars	Details to be furnished by the firm
1.	EMD of Rs.6,16,100/-to be paid along with the tender in KPP-portal by following modes: i) Credit card ii) Direct debit of iii) NEFT iv) Over the counter	
2.	The Tenderer should be a Manufacturer /Authorised Dealer 19mm dia Thermoplastic Elastomer Sewer hose for combined jetting/suction machine in Inida. In case of a Dealer the firm should furnish the authorization letter obtained from their manufacturer in the format appended vide Annexure-“C”. In case of Micro & Small Enterprises tenderer should enclose relevant Certificate issued by competent authority in the absence of which the tenders will not be considered for further evaluation.	(1) Certificate No----- and its (2) Validity----- Copies of the certificates are to be enclosed.
3	a) The Tenderer should be a Manufacturer who must have manufactured, tested and supplied 19mm dia Thermoplastic sewer hose at least 21, 600rmt of sewer Hose to any Government organizations in any one of the last three financial years(i.e 2021-22 to 2023-24(necessary supply orders and Performance Certificates/3rd party Inspection Certificates are to be enclosed). OR b)The tenders of tenderers quoting as authorized representative/agent of a manufacturer meeting with the above requirements in full, will also be considered provided: (i)The manufacturer furnishes authorization in the prescribed format assuring full guarantee and warranty obligations as per conditions of contract. (ii)The tenderer as authorized representative should have satisfactorily supplied 19mm dia Thermoplastic sewer hose at least	Particular years during which the stipulated supplies are made with the details are to be furnished in Annexure-“B” Copies of supply orders and performance certificates /Third Party Inspection Certificates issued by End user are to be enclosed in the absence of which the tenders will not be considered for further evaluation. Joint Venture Tenders are not acceptable

	8,100rmt of sewer hose to any Government organizations in any one of the last three financial years(2021-22 to 2023-24)(necessary supply orders and performance certificates/ 3rd party Inspection certificate are to be enclosed). OR C) In case of Micro, Small & Medium Enterprises, tenderer should enclose relevant certificate issued by Competent Authority in the absence of which the tenderer will not be considered for further evaluation. If the tenderer be a Micro & Small Enterprises who must have manufactured, tested and supplied 19mm dia Thermoplastic sewer hose at least 10,800rmt of hose to any Government organizations in any of of the last two financial years(2022-23 to 2023-24)(necessary supply orders and performance certificates/ 3rd party Inspection Certificate are to be enclosed).	
4.	a)The tenderer (Manufacturer/ Dealer) should possess a minimum financial turnover of Rs.821.36 Lakh during the last three preceding financial years(2021-22 to 2023-24). OR b) As per Govt Order No. FD 908 Exp-12/2019 Bengaluru dtd:21.07.2020 for Micro & Small Enterprises, the Tenderer should possess a minimum financial turnover of Rs.205.34 Lakh during the last two preceding financial years(2022-23 to 2023-24)	Respective Balance Sheets are to be enclosed along with a Certificate issued by a Chartered Accountant.
5.	The tenderer should demonstrate the availability of liquid Assest and availability of credit Facility of not less than Rs.123.21Lakh(credit Line/ Letter of Credit/ certificates from Nationalized/ Scheduled Bank)	The Tenderer should submit the Banker's Certificate invariably indicating tender number and the prescribed amount.
6	The tenderer shall demonstrate the Assessed Available Tender Capacity as follows (AxN-B) not less than supply of 27000rmt of 19mm dia thermoplastic sewer hose. A-Licensed capacity for manufacturing ofHose. N- number of years prescribed for completion of supplies for which tender are invited ie., 12months. B- Number of existing commitments to be supplied during the next one year.	Certificate issued by Ministry of Micro, Small & Medium Enterprises, Govt of India, District Industries Centre or by any relevant Govt. Organization concerned with industries is to be enclosed. YES/NO If No, the offer of the tenderer will not be considered for further evaluation.
7	The tenderer should submit the	Agreed/Disagreed

	technical specification and drawings of the Thermoplastic sewer hose offered.	(If disagreed, the offer of the tenderer will not be considered for evaluation)
8	IS:2500(par-I/2000 certification.	Relevant certificates issued by the Competent Authority in validity has to be enclosed.
9.	The tenderer shall agree to all terms and conditions of tender	Agreed/Disagreed (If disagreed, the offer of the tenderer will not be considered for evaluation)

5.	
6.	
7.	
8.	

Hose as per specification for combined jetting/ suction machine.

Validity

The Tenderer should keep his offer valid at least for a period of **90 days** from the date of opening and if necessary for a further period as desired by the CE(Project), BWSSB, 3rd Floor, Cauvery Bhavan, Bangalore-560009

Agreement Clause

a) The enquiry along with the appended schedules shall form part & parcel of the agreement, which is executed after acceptance of the tender.

b) Agreement in the prescribed format shall be executed between successful Tenderer and the Chief Engineer (Project), Bangalore-09 within **21 days** from the date of communication of approval of his/their tender, failing which the E.M.D. shall stand forfeited.

Rates to be offered:-

a) The rates should be legibly uploaded in figures.

b) The rate quoted for supply of 19mm dia thermoplastic sewer hose as per technical schedule should be inclusive of GST, III party inspection charges, transit insurance, transportation, stacking, unloading, etc., F.O.R. Central Stores, C.J.F. Malleswaram, Bangalore - 560012.

c) The lowest rate received for 19mm dia thermoplastic sewer hose as per technical schedule will be considered during evaluation of the tender and the supplier is bound to supply at the lowest rates received throughout the contract period.

d) In case of any concession, exemption or refund of Duty is applicable to the above supplies, which are to be passed on to the purchaser, the supplier shall consider the above in his offer, and specifically mention such benefits in the Technical Offer. In case of any such levies which are exempted / refundable which are not to be passed on, these details shall be furnished in the Technical Offer

e) The rate quoted shall remain 'Firm' till the supply of the entire quantity as per the schedule "B" and during the contract period the supplier shall not be entitled for any enhancement in the rate on account of rise in the price of raw materials, electricity tariff, diesel, oil, statutory levies, transportation, etc., or due to any reason whatsoever.

f) In case, the additional quantities 19mm dia thermoplastic sewer hose over and above the quantities noted in the Schedule are required during the period of contract, the supplier shall be bound to supply the said quantities at the accepted rates up to 25% of tendered quantity, Likewise, the tendered quantity can be curtailed to an extent up to 25%.

g) The supplier shall be entirely responsible for GST and other expenses incurred until the delivery of 19mm dia thermoplastic sewer hose to

FOR Stores, Malleshwaram, Bangalore-12.

Evaluation of tenders:-

12. a. The evaluation of the tender will take into account, GST, III party inspection charges, transportation charges, transit, insurance and other costs which are incidental to the delivery of the 19mm dia thermoplastic sewer hose, FOR Central Stores, Malleshwaram.

Delays in the supplier's performance:

- (i) The maximum time allowed for completion of the supplies is 12 months from the date of supply order and the supplier shall regularly intimate the progress of supply to the purchaser regarding the quantity offered for inspection and date.
- (ii) However, the time schedule shall be indicated at the time of agreement. The Supply Schedule should be promptly adhered to.
- (iii) If, at any time, during performance of the contract, the supplier should encounter conditions impeding timely delivery of the goods and performance of services, the supplier shall promptly notify the purchaser in writing of the fact of the delay, its likely duration and its causes. As soon as practicable after receipt of the supplier's notice, the purchaser shall evaluate the situation and may, at its discretion extend the suppliers time for performance with or without liquidated damages.
13. (iv) Except for the delay in an event of **Force Majeure** (an event beyond the control of the supplier and not involving the supplier's fault or negligence and not foreseeable) a delay by the supplier in the performance of its delivery obligations shall render the supplier liable to be imposition of liquidated damages, pursuant **Clause-10** unless an extension of time is agreed upon pursuant to **Clause 9 (iii)** without the application of liquidated damages.

Liquidated Damages Clause:

14. Failure on the part of the supplier to make supply as per the Supply Schedule indicated will be construed as a breach of contract, and the purchaser shall deduct from the contract price, as Liquidated Damages, a sum equivalent to **0.5%** of the delivered price of the delayed goods **for each week** or part thereof delay until actual delivery upto maximum deductions of **10%** of contract price. Once the maximum is reached, the Purchaser may consider termination of the contract.

Termination for Default:

- (i) The purchaser may without prejudice to any other remedy for breach of the contract by a written notice of default sent to the suppliers, terminate the contract in whole or part:-
- a) If the supplier fails to deliver any or all of the goods within the period specified in the contract or within any extension thereof granted by the purchaser pursuant to **Clause-9**.
15. b) If the supplier fails to perform any obligation under the contract.
- c)(i) If the supplier in the judgment of the purchaser has engaged in corrupt or fraudulent practices in competing for or in executing the contract.

16.	(ii) In the event purchaser terminates the contract in whole or in part pursuant to Clause-11(i) the purchaser may procure up on such terms and in such manner as it deems appropriate, 19mm dia thermoplastic sewer hose similar to those undelivered, and the supplier shall be liable to the purchaser for any excess stock for such similar 19mm dia thermoplastic sewer hose. However, the supplier shall continue the performance of the contract to the extent not terminated
17.	<u>Termination for convenience:</u>
18.	(i) The purchaser by written notice sent to the supplier may terminate the contract in whole or in part, at any time, for its convenience. The notice of termination shall specify the termination is for the purchaser convenience, the extent to which performance of the supplier under the contract is terminated and the date upon which such termination becomes effective.
	(ii)The 19mm dia thermoplastic sewer hose that are complete and ready for dispatch within thirty days after the supplier's receipt of notice of termination shall be accepted by the purchaser at the Contract Terms and Prices for the remaining quantity of 19mm dia thermoplastic sewer hose the purchaser may elect:- (a)to have any portion completed and delivered at the Contract Terms and Prices and/or (b) to cancel the reminder and pay to the supplier an agreed amount
19.	for partially completed Thermoplastic sewer hose.
	<u>Guarantee Clause:-</u> (a) In case, if the thermoplastic sewer hose supplied are not in accordance with the specification or if same are received in damaged condition, the supplier shall take back such 19mm dia thermoplastic sewer hose and replace them with good thermoplastic sewer hose within a week's time duly tested by a third party at their factory without any additional cost to the Board. (b) The tenderer shall be responsible for any losses, destructions and damages of 19mm dia thermoplastic sewer hose during transit.
	<u>Insurance:</u> The 19mm dia thermoplastic sewer hose to be supplied shall be fully insured in Indian rupees against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery of thermoplastic sewer hose at site. The insurance shall be obtained by the Supplier from FOR Works to FOR Stores, Malleshwaram, on "All Risks" basis including war risks and strikes and this rate should be included in the offered price.
20.	<u>Payment Clause :</u> (a) 100% payment will be made within 60 days after the receipt of thermoplastic sewer hose at Divisional Stores, CJF, Malleshwaram along with Invoice Copies and factory test certificate. <u>Inspection and Testing</u> a) The suppliers shall agree to submit manufacturer's test cerificate for having tested each hose at their principles works. b) Further the samples selected from each consignment shall be

subjected to testing who have been appointed as 3rd party inspection Agency by the employer and the cost towards the testing shall be borne by the supplier.

c) Thermoplastic sewer Hose to be supplied shall withstand twice the rated working pressure of 3000 PSI(210Bar) for a period of 60 seconds and during testing there shall be no leakage or pressure drop

d) The sample sizes and criteria for acceptance of Thermoplastic Sewer hose is considered as per IS: 2500(part-I)/2000.

Performance Security

Within 20 days of the receipt of award from the Purchaser, the tenderer shall furnish a Performance Security in the form of Bank Guarantee in a sum equivalent to 5% of the contract price. Also an Additional Bank Guarantee for unbalanced amount shall be furnished if the offered bid is unbalanced. If not, the EMD deposited by the tenderer shall be forfeited. The performance security shall be valid up to 60 days after the date of completion on performance obligation and the purchaser shall refund the same after the satisfactory completion of the suppliers in the complete manner. The Security Deposit shall not bear any interest.

LEGAL CLAUSE:

(a) Conditional tenders are rejected outright.

(b) The CE(Project) reserves the right to accept or reject any or all tenders without assigning any reason whatsoever. Even if the Tenderer meets all the eligibility and qualification criteria his tender shall be summarily rejected, if he is found to have misled or made false representation in the form of any of the statements submitted in proof of the eligibility and qualification requirement or if he has a record of poor performance such as abandoning the supplies, not properly completing the contract, inordinate delays in completion, litigation history or financial failures etc.,

(c) In case of any dispute arising out of this contract, the decision of the CE(Project) is final on both the parties.

(d) The Contract shall in all respects be construed and operative as per the provisions of Indian Contract Act, Sale of Goods Act- 1930 and in conformity with Indian Law and is subject to the jurisdiction of **Bangalore City Civil Courts only**.

(e) The enquiry along with the appended schedules shall form part and parcel of the

agreement, which is executed after acceptance of the tender.

(f) Regarding the assessment of quality and performance of the thermoplastic sewer hose the decision of CE(Project) shall be final.

The Tenderers shall invariably fill in the **Annexure- A, B and Annexure C** (in case of Dealers) appended to the technical bid enclose the requisite documents without fail, duly affixing their seal and signature.

Special Condition of contract: The tenderer has to upload the thermoplastic sewer hose drawing as per the technical schedule specification. However, the drawings will be issued before signing of the contract.

TENDER THROUGH KPP- PORTAL ONLY
(<https://kppp.gov.in>)

The Chief Engineer (Project), Bangalore Water Supply & Sewerage Board, Bangalore-560 009 invites tenders through KPP- Portal from reputed Manufacturers/Authorized Dealers of Providing and fixing of 27000Rmt of 19mm dia Thermoplastic Sewer hose as per specification for combined jetting/ suction machine. Only such Manufacturers/Authorized Dealers/MSME of Thermoplastic Sewer machines who meet the below mentioned eligibility criteria may submit their offer:

- 1) a)** The tenderer should be a Manufacturer who must have manufactured, tested and supplied 19mm dia Thermoplastic sewer Hose at least 21,600rmt of sewer hose to any Government Organization in any one of the last three years(2021-22 to 2023-24)(Necessary supply orders/ performance certificates and 3rd party inspection certificates are to be enclosed).

OR

b) Tenders of tenderers quoting as authorized representative / agent of a manufacturer meeting with the following requirements in full

will also be considered provided;

- (i) the manufacturer furnishes authorization in the prescribed format assuring full guarantee and warranty obligations as per conditions
of contract.

- (i) The tenderer as authorized representative, should have supplied 19mm dia Thermoplastic sewer hose at least 8,100rmt of sewer hose to any Government organization in any one of the last three financial years (2021-22 to 2023-24)(Necessary supply orders,/performance certificates and 3rd party inspection certificates are to be enclosed)

OR

- c)** i. In case of Micro, Small & Medium Enterprises as per G.O No:FD 908 Exp-12/2019 dtd; 21.07.2020 tenderer should enclose relevant Certificate issued by Competent Authority in the absence of which the tenderers will not be considered for further evaluation.
- ii. If the tenderer be a Micro & small Enterprises as per G.O No:FD 908 Exp-12/2019 dtd; 21.07.2020, must have manufactured, tested and supplied 19mm dia Thermoplastic sewer hose at least 10,800rmt of hose to any Government organization in any one of the last two financial year(2022-23 to 2023-24) (Necessary supply orders, Performance Certificates and 3rd party inspection certificates are to be enclosed).
- 2) The Tenderer (Manufacturer/ Dealer) should possess a minimum financial turnover of Rs.821.36lakhs in at least three preceding years. (2021-22 to 2023-24).
Based on G.O No. FD 908 Exp-12/2019 dtd; 21.07.2020, for Micro & Small Enterprises of Rs.205.34Lakh during the last 2 preceding financial year (2022-23 to 2023-24).
- 3) The Tenderer should demonstrate the availability of Liquid Assets and/or availability of Credit Facility of not less than Rs.123.21Lakhs (Credit Line/Letter of Credit/Certificates from Nationalized /Scheduled Bank)
- 5) The tenderer shall demonstrate the Assessed Available Tender capacity (AxN-B) not less than 27000rmt of 19mm dia thermoplastic Sewer hose,

<u>Sl. No</u>	<u>Particulars</u>	<u>Amount put to tender</u>	<u>EMD</u>	<u>Contract Period</u>
